Warranty

At Nolii, we are dedicated to making the best quality products. To back this up, this product is warranted for 1 year from the date of purchase. This warranty does not affect any statutory rights that you may be entitled to. Keep a copy of your purchase receipt as proof of purchase. Be sure to register your product at www.wearenolii.com. Failure to register your product and/or provide proof of purchase may void the warranty.

Exclusions & Limitations

Except for the limited warranty expressly set forth or to the extent restricted or prohibited by applicable law, Nolii expressly disclaims any and all other warranties express or implied, including any warranty of quality, merchantability, or fitness for a particular purpose, and you specifically agree that Nolii shall not be liable for any special, incidental, indirect, punitive, or consequential damages for breach of any warranty of any type on any Nolii product. In addition to and without limiting the generality of the foregoing disclaimers, the limited warranty does not, under any circumstance, cover the replacement or cost of any electronic device or personal property inside or outside of the Nolii product.

**FCC Statement
DECLARATION OF CONFORMITY WITH FCC RULES FOR
ELECTROMAGNETIC COMPATIBILITY**

We, Nolii Ltd of 151 Wardour St, Soho, London W1F 8WE, declare under our sole responsibility that the products as listed above to which this declaration relates, comply with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) including interference that may cause undesired operation.

Federal Communications Commission Notice

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna
- Increase the distance between the equipment and the receiver

- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected
- Consult the dealer or an experienced radio/TV technician for help

FCC Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

CE Declaration of Conformity

We, Nolii Ltd declare under our sole responsibility that the product model as listed above, to which this declaration relates, is in conformity with EMC Directive 2014/30/EU, Low Voltage Directive 2014/35/EU & RoHS Directive 2011/65/EU (Recast).

We further declare that the product meets the essential requirement of the above Directives. The limits contained in these articles are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

Caution: Any changes or modification not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.
